

April 15, 2009 Minutes

Meeting was called to order at 7:35

Scholastic – Dave Anderson from the Boy’s High School Union states red card reports only need to come from the center referee, this is the same with the girls. Girls Union – girls may play next game after red card, it is up to the union depending on the offense.

When filling out red card report – need to refer to the High School Rule Book for reason. High School words these differently than FIFA.

3 small schools have not paid CIML yet. Contract has not been signed by Lou Agocs yet. MISOA does not assign Pella or Monroe games. We have already had several injuries on the referee side, I sprained ankle and 1 broken ankle.

Lou Agocs says we have 1,129 games as of today. More are being added daily. Colo has dropped both girls and boys JV games and can not change their schedules to do both varsity matches on the same night this year since contracts are already signed.

Youth – nothing new, Bonnie not present.

College – no change

Adult – nothing new Jeff Birdsley not present

A temporary chair had to be voted in so we could hold vote for new board. New board members are:

Past President	Rich Voyek
President	Ray Schwichtenberg
President Elect	Dave Lundy
Treasurer	Peter Dale
Secretary	Cathie Larmie
Scholastic Director	Rod Dougherty
Collegiate Director	Jim Elmer
Dir. Of Training	Craig Nelson
Adult Director	Jeff Birdsley
Youth Director	Bonnie Larson
Dir. at Large	Sheryl Knuth

Instruction – send in ideas for future meetings

All assessment requests need to go through Jim Albertson.

All referee assaults need to be dealt with as soon as possible. Need to get complete information and turn into assignor or Phil Sinnwell.

New Business – Need people to sign up for State Cup under 11 – under 14 on May 23rd thru 25<sup>th</sup> with finals May 30<sup>th</sup>. Email was sent out for sign-ups. They are also looking for less experienced referees to work the Directors Cup which is May 30<sup>th</sup> and 31<sup>st</sup>. Both are located at Cownie Complex.

Youth Regional tournament is by invitation only. These are held in South Dakota this year and start Father's Day weekend and run through the week.

Greg Annexstad – Athletic Directors have brought up that the CIML wants the referees to hold the time down to 20 minutes between games and half time to the correct times. Check with school official on site and the person running the time clock before the games to get this settled before the games start.

Field checks before games – sand bags on goal posts do count as an anchor. Games can not be played on field with non-anchored goals. Johnston and Urbandale have multiple field markings. Ottumwa field are marked incorrectly. Need to step off penalty marks if needed during game.

Meeting adjourned at 8:38
